To my family and supporters,

Man do I feel blessed. God is so good. He's had me the entire time. For those of you that don't know, I've battled so much the past few years. I've torn my tricep, I've had people stab me in the back, I had severe diverticulitis for years which ultimately lead to 8" of my colon being removed, but like my screensaver on my phone says, "STILL STANDING! GOD IS FAITHFUL!"

To the parents, what I want you to hear first is this: I love these boys like my own and I cherish my time with them. I feel so blessed to be able to spend my days mentoring them, loving them, teaching them, and growing with them. I thank God daily for putting me in this position to impact their lives.

I truly take so much pride in being their coach. Most of you will never truly understand how much work I put in behind the scenes to make their time with me as special as it can be. I'm so passionate about the game and even more so about impacting their lives - I'M CERTAIN THIS IS MY CALLING.

I'm so thankful for this platform where I've been chosen to lead. We have such a special group this year. Like I told the boys, this is the closest group I've had in my 7 years being the head coach. We have VERY high expectations, but with high expectations comes responsibility. I KNOW they can achieve greatness.

"ALL-IN!!" No exceptions! 🏆🏆🏆

WE > ME!

We will grow as 1, learn as 1, fall as 1, and RISE as 1. We are 1!

My 6 daily words of affirmation to them:

- 1 Family
- 2 Belief
- 3 Confidence
- 4 Discipline
- 5 ALL-IN! No exceptions.
- 6 WE > ME!!

This is who we are. This is our program. I love my staff, I love my players, I love my managers, and I am TRULY THANKFUL for my booster moms. Man do they make my life easier! I love everyone that is a part of this family. THIS is the group I've prayed for. Thankful, blessed, and honored is an understatement.

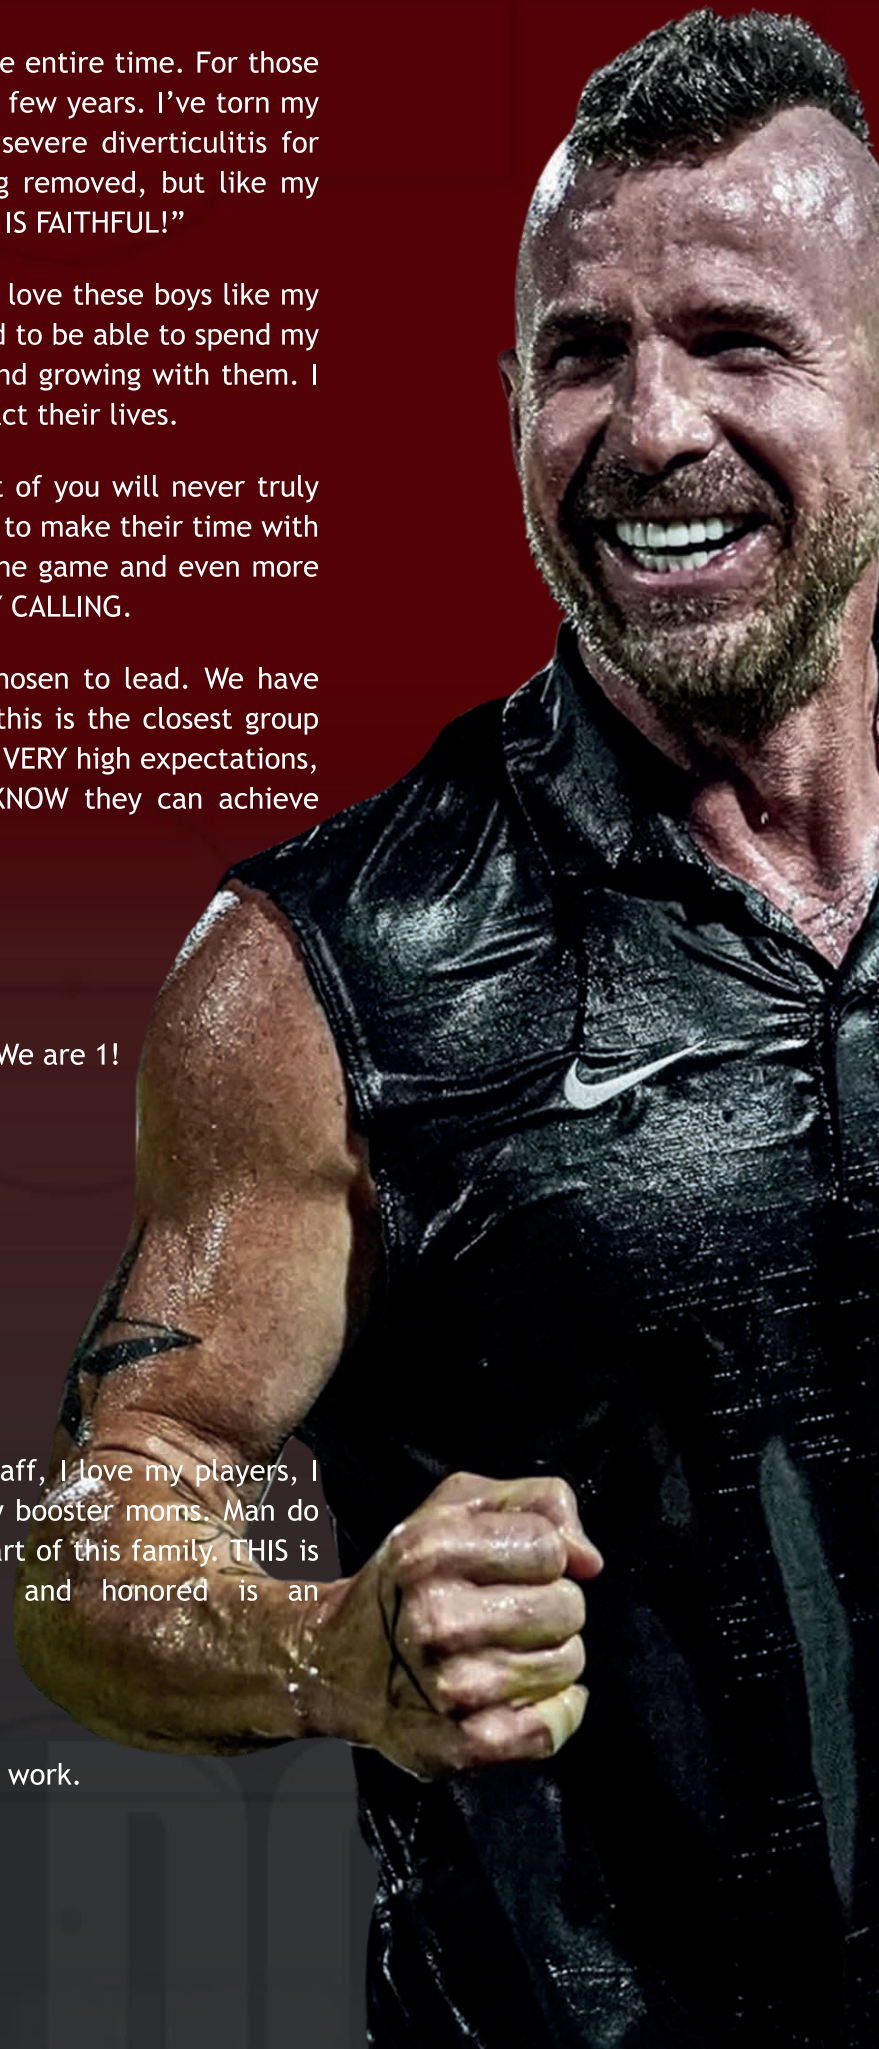

To sum it up: We are coming and we are hungry!

I cannot wait to see how this unfolds. Now it's time to work.

To God be the glory. 🙏

With all my love and support,

Coach 🙏🏆

# JADEN WEST

From your first days in the backyard at 3 to 4 years old, trying to keep up with the older boys playing soccer to travel in the US playing against the country's best, your drive, dedication and determination has always shown. We can't help but be proud of the man you have become both on and off the field.

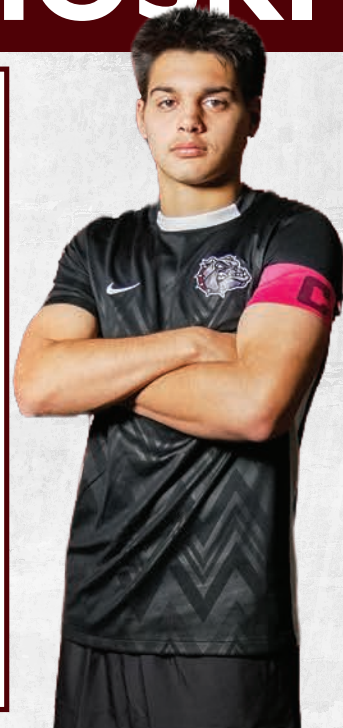

This ride has been absolutely incredible to be a part of, but now it's here, the last season. So while we sit in the stands and get emotional about all of "the lasts", we want you to pause, stop, look around and cherish these moments and all that I've led up to it. We can't wait to see what happens in the next part of your journey, we will definitely be in the stands for it though!!!

We Love You Cowboy/ J-Dub!  
Always and forever  
Love,  
Mom, Dad and Tristan

# MATEJ NAUMOSKI

From a short month of gymnastics, T-Ball infield home run, guarding the man child in Westampton basketball, Jiu Jitsu tournament arm bar come back miracle, the lacrosse years and always being around or playing soccer, you made a difference in the lives of your teammates, coaches and ours as well. You are funny, smart, hardworking with a bright future ahead of you. Continue to work hard, stay humble yet confident, lean on God and embrace whatever life brings your way. We will continue to support you and be your biggest fans.
